Hi Nick,

Glad to hear you loved Baby Driver. I'm a big Edgar Wright fan and have been looking forward to this one for a bit (plus I used to live in Atlanta briefly, I recognize some of the locations). You've got me more excited now.

Since you were showing some people around Downtown, I was just curious, what was interesting them? Were they focused on any particular things?

And what's catching your eye lately? Anything you think the paper should look into?

Thanks,  
Nicholas
